

# HAWAII: Music

(Note: This is only a sample tour)

**Day 1:** Depart for **Honolulu**, Hawaii. Transfer to your hotel. Remainder of day is free to relax.

**Day 2:** Today visit the **USS Arizona and Pearl Harbor Memorial**. Your group will also perform to the delight of Pearl Harbor visitors. Remainder of the day to discover **Waikiki**. The area of Waikiki was once a retreat for Hawaiian royalty in the 1800s who enjoyed surfing there using early forms of longboards. A few small hotels opened in the 1880s. In 1893, one of the first beach resorts was created. Today, the area is filled with hotels and the beach hosts many events a year, including surf competitions, outdoor performances, hula dancing and outrigger canoe races. After your performance see the Duke Kahanamoku Statue (named after the legendary father of modern surfing) on Kalakaua Avenue. Tonight wander down Kalakaua Avenue to see the traditional torch lighting ceremony of 50 torches that occurs nightly at 6 pm.

**Day 3:** Enjoy a stunning coastal drive to the North Shore, the famous surfing mecca of **Hawaii**. See Sunset Beach, the **Banzai Pipeline** and Waimea Bay, notable surfing spots. See the Lanai Lookout and Halona Blow Hole, Sea Life Park Hawaii, Kualoa Ranch and Waimanalo Bay State Park. Enjoy a stop to snorkel the gorgeous waters. The North Shore is home to Haleiwa Town, the artistic and social hub of the **North Shore** with its own local style and ambiance. This quaint little plantation town has a wide variety of shops housed in plantation era buildings ranging from high end specialty shops to surf shops to galleries with authentic Hawaiian made goods.

**Day 4:** Enjoy the day and evening at the **Polynesian Cultural Center**. The Center is an idyllic setting for customs, arts crafts and sports that are the heritage of the South Seas region. Enjoy your evening **Luuu**, a Polynesian traditional feast in which a pig and native vegetables are cooked using heated rocks in an underground oven. Polynesian entertainment adds flavor to the colorful proceedings. Perform for the Cultural Center visitors.

**Day 5:** Board your bus for **Diamond Head** for your hike. Diamond Head is the crater of a volcano that has been extinct for 150,000 years. Be prepared to climb the steep trail which includes a trail, 99 steps and 2 tunnels! But the climb is worth it because the view of the tropical shoreline from the top is spectacular. Spend the rest of the day visiting the beautiful Iolani Palace built in 1882 and is the only royal palace on American soil. It was the royal residence until the overthrow of Queen Liliuokalani in 1893. Include a visit to the Mission Houses Museums which consist of three storied missionary buildings, interesting places containing more than 20 million artifacts of Pacific history, making it the largest collection of its kind in the world.

**Day 6:** Meet your instructor for your 1 hour **surfing lesson**. You will have the board available for an additional 2 hours to practice your new skills. This afternoon enjoy Waikiki Beach to shopping, meander or soaking up the tropical sun. Wander into the mecca of outdoor carts, shops, and artisan stands and meet the local craftspeople at the International Marketplace. Walk down to the Royal Hawaiian Center on Kalakaua Avenue to shop or discover the Hawaiian culture.
